FROM THE COMMITTEE

A Word From Our Chairperson

Reds,

Welcome to the very first issue of RedLeb Dispatch, our monthly newsletter created to keep every OLSC Lebanon member connected, informed, and involved throughout the season. We hope this newsletter becomes another way to strengthen the bond within our Liverpool family in Lebanon and keep everyone up to date with the latest club news, branch activities, and everything that brings us together.

As we look back on the past season, it's fair to say it was one of the most difficult in recent memory. On the pitch, Liverpool endured a disappointing campaign that fell well below the standards we all expect from our club. Like every Red around the world, we experienced the frustration and heartbreak that came with a season we would all rather forget.

Off the pitch, the challenges were even greater for us here in Lebanon. The difficult circumstances our country has faced affected every one of us, making it harder to gather, celebrate, and enjoy the moments that unite us as supporters. Yet despite everything, the spirit of OLSC Lebanon never faded. Through our WhatsApp community, our gatherings whenever possible, and our shared passion for Liverpool Football Club, we continued to prove that supporting Liverpool is about far more than ninety minutes on a football pitch: it's about belonging to a family.

This past month, our OLSC Lebanon family also suffered a profound loss with the martyrdom of our fellow Red, Mohamad Mahdi. Mohamad was a valued member of OLSC Lebanon and well known among our members through our community. We extend our deepest condolences to his family and loved ones, and we pray that God grants him His mercy and eternal peace. His memory will forever remain part of our Liverpool family.

I would like to sincerely thank every member who has continued to support OLSC Lebanon throughout the past year. Whether you attended our gatherings and activities, participated in our discussions, renewed your membership, or simply remained part of this incredible community, your support is what keeps our branch alive. My heartfelt appreciation also goes to our committee members and volunteers, whose dedication and hard work continue to make our branch stronger every season.

As always, we also remember Diogo Jota and Andre Silva. Though they are no longer with us, they will forever remain part of the Liverpool family, and their memory will never be forgotten.

Now, a new season begins. With Andoni Iraola at the helm, renewed hope, fresh ambition, and new opportunities ahead, we look forward to creating unforgettable moments together. Every new season brings a fresh start, and we all share the belief that brighter days lie ahead for Liverpool Football Club. Our commitment remains the same: to build a stronger OLSC Lebanon, bring our members closer together, and continue representing Liverpool Football Club with pride here in Lebanon.

No matter the challenges we face, on the pitch or at home, our community continues to embody the words that unite every Liverpool supporter around the world: You'll Never Walk Alone.

SEASON REVIEW

Premier League 2025/26, The Season That Was

Arsenal were crowned champions on 85 points, their first title in 22 years, finishing 7 points clear of Manchester City. Liverpool finished 5th on 60 points, still enough for a Champions League place thanks to England's extra European spot this season, but a long way from where this club expects to be.

Pos	Club	Pts
1	Arsenal	85
2	Manchester City	78
3	Manchester United	71
4	Aston Villa	65
5	Liverpool	60

OUR SEASON, TOGETHER

Despite everything, OLSC Lebanon members kept showing up for each other, from local watch parties and events, to home games at Anfield, to away days following the Reds across Europe.

CLUB NEWS

A New Era Begins

Arne Slot departed as head coach at the end of May, following a fifth place finish and a season without a trophy. It is worth remembering what came before that: in his very first season in charge, 2024/25, Slot delivered the Premier League title. Whatever came after, that achievement stands, and OLSC Lebanon thanks him for it.

IN COMES IRAOLA

Andoni Iraola has taken over and pre-season is where his Liverpool starts to take shape. Dominik Szoboszlai has already spoken publicly about the belief inside the squad that last season can be put firmly behind them under the new coaching setup.

SQUAD WATCH

French defender Jeremy Jacquet arrives from Rennes on a deal completed back in February, officially joining the first team squad for this new season. Liverpool have since added further to the squad with the signing of Victor Munoz, a 22 year old Spain international winger, from Osasuna for a fee worth £34.5m on a six year contract, confirmed on June 18th. Munoz arrives fresh off winning the World Cup with Spain this July, who beat Argentina 1-0 in the final. Liverpool have also added Uruguay international centre-back Ronald Araujo, Barcelona's captain, on a season-long loan with an option to buy for around £47m, bolstering defensive depth after Konate's departure.

CLUB NEWS

One To Watch: Barcola

Liverpool are reported to be closing in on a major statement signing this summer, with PSG winger Bradley Barcola strongly linked as a replacement for Salah. Reports from L'Equipe describe a formal bid worth around €115m submitted to PSG, though Liverpool sources have disputed that account, and PSG are said to want closer to €150m to £170m. Barcola has told PSG he will not extend his contract there. Nothing is confirmed yet and PSG have so far resisted selling, but the interest is real and growing.

SAYING GOODBYE

This will be the first season in nine years without both Mohamed Salah and Andy Robertson, after their contracts expired on June 30th. Salah leaves with 257 goals in 442 appearances, a club legend by any measure, and has since signed a two year deal with Trabzonspor in Turkey, making his debut for the club last weekend. Robertson departs after 378 appearances, moving to Tottenham Hotspur on a free transfer.

Ibrahima Konate also leaves, joining Real Madrid on a free transfer on a four year deal after five years and 183 appearances at the club. Thank you for the memories, Ibou, we had a great time with you.

ON THE PITCH

Pre-Season & What's Next

Liverpool have already kicked off pre-season, beating Sunderland 4-2 at GEODIS Park in Nashville, the first game of the Andoni Iraola era. Dominik Szoboszlai scored a long-range screamer among Liverpool's four goals, with Federico Chiesa and 19-year-old Kieran Morrison also on the scoresheet. Jeremy Jacquet was left out as he continues his recovery from shoulder surgery. Liverpool followed up with a 1-0 win over Wrexham at Yankee Stadium on July 29th, Rio Ngumoha scoring the only goal, before a 4-2 defeat to Leeds in Chicago.

Iraola's first game at Anfield followed a similar pattern: Liverpool led 2-0 against AS Monaco through Alexander Isak and Florian Wirtz, only for the visitors to fight back and win 3-2, Paris Brunner scoring an 88th minute winner. Victor Munoz made his first Liverpool appearance off the bench. Pre-season wrapped up with a double header against Como 1907, a goalless draw at the AXA Training Centre followed by a 2-0 win at Anfield in front of the fans, Cody Gakpo and Jeremy Jacquet on the scoresheet.
